School Values

This half term our school value is **RESILIENCE**.

The idea is that the children never give up and keep trying even when they are faced with a challenge or a problem.

Within school, this is especially important this half term because many of children will be taking tests and assessments, especially our Year 2 and Year 6 pupils who will be doing their SATs.

It is so important that all our children believe in themselves and you can help by talking to them at home about being positive and just doing their best. Remember to tell them that assessments are only normal school work that looks different because they are written as a test!

Parental Assembly

The Parental Assembly for 5CJ is on Wednesday 23rd May at 9:00 a.m. Remember you'll be invited to stay to work with your child after the Assembly!

Egghead General knowledge Quiz at Fleetwood High School

Our Year 5 team competed against 6 Primary and 4 High School Teams. They came second, only one point behind the winning school!!

Well done Debbie, Josh, Jack and Scott

Netball Tournament

Our netball team competed in a tournament yesterday and came second in their group. They went on to play in the semi-final and then the playoffs narrowly missing out on a draw by one point to come fourth overall in the competition.
