### School Values

This half term our school value is **RESILIENCE**.

The idea is that the children never give up and keep trying even when they are faced with a challenge or a problem.

Within school, this is especially important this half term because many of children will be taking tests and assessments, especially our Year 2 and Year 6 pupils who will be doing their SATs.

It is so important that all our children believe in themselves and you can help by talking to them at home about being positive and just doing their best. Remember to tell them that assessments are only normal school work that looks different because they are written as a test!

### Parental Assembly

The Parental Assembly for 5CJ is on Wednesday 23<sup>rd</sup> May at 9:00 a.m. Remember you'll be invited to stay to work with your child after the Assembly!

### Orienteering

Last Friday a team of Year 6 children took part in an Orienteering competition. All six children did remarkably well!

28 teams entered the competition and Flakefleet came first!!

Even more special is the fact that, in July, the team will compete against schools from across the county in the Lancashire Games

This is the first time ever that we will have a team taking part in the Lancashire Games. Well done!

### Marine Visitor

On Tuesday, we will be visited by a member of the Royal Marines. He will be spending time with 6HW, 6JC and 4SR - focussing on Resilience. Children in those classes will need their outdoor PE kit that day.

## JCA Adventure Holiday

Payments should now need to be up to £100 to secure your child's place. Please call into the school office with any payments.

### Wanted

Nursery would love to offer a home to a couple of unwanted slides. Please contact the school office.

### Wanted

Our keystage 1 department would like to offer a home for any unwanted dolls and prams you may have surplus at home. Please contact the school office.
