New Classes for September

This year all classes except Year R will be moving up as classes.

It is slightly different for Year R as they have only been with us, as classes, for 12 months and this is the optimum time to place them in groups that are most beneficial for their future development when moving to Year 1.

Parents of children in these classes will be informed individually of which class their child will be moving to in September.

School and British Values

This half term we are focusing on Democracy and the Rule of Law
At home you could talk to your child about how in our country we vote in elections but also when most people want to do something at home, the rest of the family should go along with it.

As for the Rule of Law, explain to them why we have laws - to keep people safe.

For the next few weeks we are sharing with you how this works in school and our 'Rules of Law'

This week, our expectations of our children:

[The Flakefleet Way](#)

A Flakefleet Child:

- * *Is kind and polite*
- * *Is fair and honest*
- * *Shows respect to others*
- * *Listens carefully*
- * *Looks after our environment*
- * *Has high standards*
- * *Works hard and learns from mistakes*
- * *Is proud to be part of the school community*
