

FREE SCHOOL MEAL ELIGIBILITY

If your child in school is in years Reception to Year 2, and you are entitled to any benefit which would allow free school meals, please contact the school office if you have not completed a free school meals application form. This has nothing to do with the universal free school meals that all infant children are currently entitled to. If you are unsure if you have this entitlement, please ask at the school office for advice. We receive extra payments in school for the benefit of your child, if you do have this benefit, so it is very important that we know about it.

School Admissions reception and high school 2019

The online application system is now open to apply for your child's school place. Flyers were sent out last week with all details on. Please apply at www.lancashire.gov.uk/schools; any problems please contact the school office. Closing date for secondary school applications is 31st October 2018. For reception places the closing date is 15th January 2019.
