School photographs

The Photographer will be in school on **Tuesday 9th October** to take individual and family group photographs. Please could parents who would like photographs to include pre-school children go directly to the Dance Studio at 8.30am **with** their school aged children. Access to the Dance Studio is through the playgrounds and is at the back of the school.

NO SMOKING ZONE

Lancashire County council policy states that there is **NO SMOKING** on our premises. **WE DO NOT** allow smoking in the school playground, or **ANYWHERE NEAR** the school gates!!

Harvest Festival

Class of 6JC will be holding our annual 'Harvest Festival' service on Thursday 11th October @ 9.00am. Parents of children in 6JC are welcome to come along and watch. Afterwards you may stay behind and work with your child. We will be donating any products to the Sea-man's Mission. If you wish to donate any tinned or packet items please send them into school from tomorrow.

Parking

It is in the best interests of all our children and parents that you do not park on the corners across from school or on any of the yellow zig-zagged lines. Double parking is very dangerous to everyone please find a suitable place to leave your car at all times.

Lost and Found

Have you lost either of the following - a Multi-coloured fluffy toucan toy, a sports drink bottle or a wallet. Please contact the office if you think any of these items might belong to you.

Mobile Phones

We do not permit any child to bring mobile phones into school. Mobile phones found to be on the premises will be confiscated and parents will need to collect them at the end of the day.

School Admissions reception and High school 2019

The online application system is now open to apply for your child's school place. Flyers were sent out last week with all details on. Please apply at www.lancashire.gov.uk/schools ; any problems please contact the school office. Closing date for secondary school applications is 31st October 2018. For reception places the closing date is 15th January 2019.

Winter weather

As we approach the winter weather please make sure you send your child to school in a suitable winter coat. Children will need a coat to play out at break and lunchtimes.

School Values

This half term the value we will have a particular focus on is: **Making Good Choices**

You can support this at home as obviously your child, like everyone, has lots of choices to make each day, some easy; some more difficult.

We need to teach our children that every choice has a consequence, and this could be good or bad depending on what decision they make.

Flu Vaccinations

From October 2018, all children in England in reception class and school years 1, 2, 3, 4 & 5 will be offered the flu vaccination in the form of a nasal spray. The reason that the programme is being offered in schools is because school-based immunisation programmes provide a highly effective means of delivering important health programmes to school-aged children, ensuring good uptake. Forms have already been sent out please return your form as soon as possible.

Manchester Coach trip

We still have a few places available on our coach trip to Manchester on Saturday 13th October for all parents with children. The coach will be leaving Saturday morning around 9am and once in Manchester you are free to do what you like. We have an estimated return time of 6pm. Places are only £10.00.

After School Clubs now started

KS2 - DODGEBALL - on Tuesday night till 4.15pm

Years 1 & 2 - MULTISPORTS on Wednesday till 4.15pm
