Advice for parents wishing to book online

1. **Logging In For the First Time**
2. To login into the Parent Portal for the first time and view your child's dashboard, **you will need the email that was sent from school yesterday to welcome you to Arbor.** (it may go to your Junk box)
3. We also recommend that you log in for the first time on a desktop computer, using Chrome as your web browser.
4. This email will confirm your username (your email on school record) and a link for you to click on that will take you directly to your schools' Arbor site.
5. On your first login only, you will need to enter your child's date of birth to access the dashboard.
6. **Forgotten Password. Password reset** If you have accessed the Parent Portal previously, and have forgotten your password, then select the option 'Forgotten your password?' when heading to your school's Arbor access page and follow the instructions
7. If you are the Primary Guardian for more than one child in the school, you can access and view each child through the same portal by clicking on the name at the drop-down menu with the children's names in the top-left of the home page, then change sibling.

Comic Relief Day. Friday 15th March

This year for Comic Relief, there will be a Non-Uniform Day and, for a small £1 donation, we are asking for every child to come to school wearing something **Red**

There will also be **Red Noses** on sale from the School Office priced at £1:25 during the week. (We are not sure which day they will arrive but will let you know as soon as they are here)

During the day itself, there will be a competition in classes to find the child who can tell the best joke. So if you know any good jokes (suitable for school!!!) you could share them with your child!
