

FLAKEFLEET PRIMARY SCHOOL

Gender Equality Policy

This policy applies to all governors, staff, pupils, parents/carers and visitors to the school, including all contractors.

1 Aims of the gender equality policy

Our gender equality policy builds upon the Mission Statement, core values and ethos of the whole school community. We recognize our statutory duty to eliminate unlawful sex discrimination and harassment and promote equality of opportunity between men and women. This policy will be an integral part of our school life.

2 Leadership, management and governance

The Governing Body is committed to eliminating unlawful sex discrimination and harassment and to promoting equality of opportunity between men and women. We will ensure that all our current policies are assessed for their impact. The governors will develop their knowledge and understanding of gender equality. We will monitor carefully the implementation of this policy and its related procedures and strategies in order to improve our practice.

*It will be the responsibility of the headteacher to ensure that this policy is successfully implemented and that all those who work in the school understand what they are to do and have relevant training and support. The headteacher will ensure that appropriate action is taken in the event that this policy is not complied with. All staff have a responsibility for ensuring that the policy is implemented fully. **(Name)** is the member of the senior management team with designated responsibility for gender equality.*

*The governors expect that **all staff** will know how to challenge gender bias and stereotyping, both inside and outside the classroom.*

Teaching staff have a central role in promoting gender equality. The effectiveness of our policies will be judged by how successfully they encourage, support and enable boys and girls to reach their full potential; by how they ensure that boys and girls have full and equal access to the curriculum and by how they promote gender equality through learning and teaching, the curriculum and the quality of care and guidance. The governors expect all staff, pupils and parents/carers to support us in this work.
